Dear Students and Parents,

Welcome to second grade! I am so excited to begin my second year at Will Carleton Academy and share this second grade experience with you. Parents, thank you for entrusting your students to me. Students, I am excited to meet each of you personally and get to know your interests and strengths.

For those who have not met me before, I am Mrs. Kayla Center. I have a wonderful husband, Ryan, and we have two daughters Kamryn and Oaklyn. Kamryn is 6 years old and entering the first grade. Oaklyn is 6 months old and learning new things every day. I have taught full time for a few years before becoming part of the Will Carleton Academy family. I have taught at Pansophia Academy in Coldwater and within the Pittsford Area Schools. I have also taught half day kindergarten at Hillsdale Community Schools. I have enjoyed all of my teaching positions and truly look forward to another great year.

Second grade is a very important year. My ultimate goals for your child this year are reading more fluently, developing a love for reading and learning, and becoming better writers. Of course, we will be studying and learning in all subjects, but if we achieve these three goals, your child will do well throughout their school years. I will also expect students to become more independent and responsible for themselves, their actions, and their belongings. Yes, more is expected, but it is just one step in the process of growing.

I hope to meet and become acquainted with you all soon!

See you soon,

Mrs. Center
