July 2018

Dear Families,

My name is Julie Conrad and I am looking forward to being your child's fourth grade teacher. Let me start off by telling you a little about myself. I graduated from Hillsdale College in 2009 where I received my Bachelor of Arts in Elementary Education. This is my fifth year teaching fourth grade at Will Carleton Academy. I promise to work hard to ensure your child receives the best education.

For fun I play a variety of sports. I love to be outdoors, I enjoy reading books, I love singing, and I love learning new things. I also love dogs, but no dog compares to my family's dog, Mason Blue (Maize -n- blue) Yes, I am a Wolverine fanatic as well. I was blessed to marry my best friend, Tyler, and last December our family grew with the addition of our daughter, Reagan Jeanne Conrad.

In 4th grade, your child will be very active in his/her education through continued responsibility for homework, as well as hands-on experiments, and numerous projects to actively study the variety of content areas. Watching your child discover, learn, and grow throughout a school year is a huge reason why I love being a teacher! In 4th grade, agendas are used for homework assignments, project due dates, and tests; not daily tasks. Also, in 4th grade, your child will have weekly spelling tests and biweekly Wordly Wise (vocabulary) tests. The tests for the rest of the core subjects will be announced two days prior and a study guide will be provided.

If you have any questions, please do not hesitate to contact me. Together, at Will Carleton Academy, we will give your child the best education possible.
