

Dear Fifth Grade Families,

Welcome to fifth grade! I am so excited to begin my eleventh year at Will Carleton Academy and share this fifth grade experience with you. Fifth grade is a year of transitions. It is the year that we expect students to become more independent, begin doing more learning on their own, and become more responsible for themselves, their actions and their belongings. Yes, much more is expected, but it is just one step in the process of growing up.

I am excited to meet each of you personally and get to know your interests and strengths. We will be doing some fun activities the first day or two of school so I can learn these things about you and you can learn some things about me as well.

For those who have not met me before, I am Mrs. Jackie Phillips. I am married to Mike and we have three daughters: Rachael, Ashley, and Alyssa. Mike works at the Market House and we have been married 29 years. Rachael is 22 and lives and works in Lansing. Ashley is 20 and a junior at Northwood University in Midland. Alyssa is 17 years old and a senior at Will Carleton Academy! Our family also includes a dog, two cats, and a chinchilla.

I am very excited to be back in fifth grade and look forward to a great and exciting year! I hope you can all attend the Ice Cream Social so we can meet and become acquainted. You will be able to see where our classroom is and drop off any supplies you wish to.

See you soon,

Mrs. Phillips
