August 2018

Dear Parents/Guardians & Students,

Greetings! I, Mrs. Angela Hukill will be your 7<sup>th</sup> Grade Teacher. I hope that you have been enjoying your summer and are looking forward to this coming school year. I am excited to meet you and to have the opportunity to adventure together into all of the exciting aspects of 7<sup>th</sup> grade.

Before this adventure begins, I would like to share with you a bit about myself. I have been married for a very long time, have 2 beautiful daughters ages 7 and 2 ½ years old as well as a sweet and feisty Pomeranian/Chihuahua who adventured to the U.S. from South Korea. I grew up in Hillsdale and resided most of my life in the Hillsdale area until my husband and I decided to make the move to the south. We lived in TN for about 4.5 years and 9 years in SC. We moved back to MI 3 years ago to be around our families, not knowing the move back would lead us to time spent in CA before we officially settled. My credentials include a Master's degree in Curriculum & Instruction with emphasis in Reading Specialist, a Bachelor's degree with a Major in Child Development and a Math Minor, Special Education Endorsements in TN & SC, as well as credits in a variety of other areas. My over 16 years of teaching experience includes Pre-K through 7<sup>th</sup> grade in General and Special Education. I like to read the Bible, Historical Inspiration, fish, camp-without raccoons, listen to music – and sometimes play as well as singing in the shower, bake, watch HGTV and the Food Network, and importantly, spend time with my family.

This school year we will learn about so many different concepts. Our focus of study includes pre-algebra computations, MI history, cells of plants and animals, grammar skills, research and write reports as well as various projects.

Enjoy the rest of your summer as you prepare for the upcoming school year. I am looking forward to getting to know you and for a great school year.

Sincerely,

Mrs. Angela Hukill
