July 2018

Dear Parents:

What a speedy summer! It feels as if vacation has just gotten underway, and in the blink of an eye, we are thinking about the start of another school year. This will be my seventeenth at Will Carleton Academy, and I look forward to seeing what is in store as our academy begins its third decade of success.

After the relocation of the high school last year, I am happy to be returning to what is now familiar territory in the "West Wing," and I have high hopes that our ninth through twelfth graders will lead the way, setting a wonderful example for their fellow Cougars. I want to take this moment to formally welcome both those returning students and those who are new to our school community. Working together, I know we will do great things!

Please see the attached classroom supply list for items specific to my classroom. It is fairly short and simple, and along with a readiness to learn, the only things really needed to be ready to go on August 22nd. I am excited to get started, and I am eager to see what leaders are in our midst.

Enjoy your remaining time off, and I look forward to seeing you in a few weeks!

Sincerely,

Garvin Kruse
