Dear Will Carleton Academy Parents and Families,

I hope this letter finds you having enjoyed our long weekend. Sometimes that is just what you need to recharge for another push of productivity.

Thank you to all who attended Parent Teacher Conferences last Thursday. That is always an enjoyable day for the office as we get to see parents that we don't normally see week to week. If you have any questions regarding your conference, please contact me in the office. I would be happy to check into something a bit further or simply lend additional support.

The Book Fair certainly attracted the crowd last week! We will continue with Book Fair hours today after school and from 7:00-8:00 pm tomorrow evening during the Literacy Night event. Thank you for your support of this annual project. Thank you to Mrs. Arnold and the crew of 8th grade families: once again a team of irreplaceable help!

The music classroom is alive and well on campus! I hope you had a chance to welcome Mrs. Price to WCA at conferences last Thursday. Mrs. Price started in our classroom on Monday, October 1st and the humming on campus has once again started! We are so blessed to have this talented musician in our children's lives: I can't wait to see all things music unfold! Welcome to Will Carleton Academy, Mrs. Price! We are blessed to have you!

The biggest item to address in my correspondence with you this week is the upcoming Reverse Raffle on Saturday, October 20th. Tickets are \$50.00 each for this adult only event and include the cost of a delicious dinner as well as an opportunity to experience the excitement of the evening and the final ticket pulled for the big money prize. You need not be present to win allowing everyone to purchase a ticket: even if you have a previous commitment, you can still purchase a ticket to support this annual fundraiser. There are tickets left and as stated in previous Monday Mailer letters, if all WCA families would buy at least one ticket, the 300 tickets will be sold well before the event begins. Thank you so much for considering this request.

The grade level raffle basket themes are in place and the children are anxious to start gathering supplies! All donations for these baskets are due to campus by dismissal on Wednesday, October 17th. This will give the staff ample time to arrange the baskets and prepare them for Saturday's event. This is a huge contribution for the Parent Forum's Reverse Raffle and your support with this is greatly appreciated.

The Parent Forum will be hosting their monthly gathering Friday morning at 8:30 am. The agenda is full and lots of discussion planned! I hope you will help fill the room to be a part of this important group: we welcome all parents and hope that you will consider attending.

Please be reminded that when your student is absent, a written note is required to be sent to the office per the handbook. This note allows the office staff to document the absence and consider it excused for record keeping purposes. Thank you for your attention to this procedure.

I hope you all have a terrific week. My door is always open to talk about WCA and your student; two of my favorite things!

Sincerely,
