Critical need for coaching positons:

The boys' 5th/6th and 7th/8th grade basketball teams are still in need of coaches. This great group of boys has had a good start to their season. Both Coach Coward and I will continue to coach them through this week. However, both of our varsity seasons will be in full swing after this week and we will no longer be able to coach the boys. If you or someone you know is qualified and interested, please call the office as soon as possible, at 517-437-2000 to set up an interview. Thank you!

Basketball start dates:

- Varsity boys' first practice will be today, Monday, November 5th from 6:00 – 8:00 P.M.
- Varsity girls' first practice will be on Monday, November 12th from 6:00 – 7:40 A.M.
- 5th/6th grade girls' first practice will be on Monday, January 7th from 3:30 – 5:00 P.M.
- 7th/8th grade girls' first practice will be on Monday, January 7th from 3:30 – 5:30 P.M.

Please, be sure your son/daughter has his/her updated physical health form turned into the office before the first day of practice. The 7th/8th grade and varsity teams are required to wear their PE uniform for each and every practice. If additional uniforms need to be ordered, please contact Mrs. Arnold as soon as possible with your order.

On the Cougar calendar:

The winter sports' seasons are just beginning. Competitions will begin the week of November 12th.

The week of October 29th in review:

On Tuesday, the varsity volleyball team competed in the MHSAA Districts at Hillsdale Academy taking on Pittsford. After the game Coach Dryer stated, "Our season came to end Tuesday night as we took on the Pittsford Wildcats in the first round of district play. Final scores were 11-25, 12-25, 11-25. Although we struggled to dominate our court, I want to highlight the sense of togetherness the team displayed. They came out as a team and their voices and sense of unity were inspiring. It's something we've pushed to achieve all season and I'm thankful they had the opportunity to feel that strength within one another. We formed a family this season and regardless of our win/loss record the team made big leaps and gained a lot of ground. I'm proud of each of them and will miss my daily dose of Cougar Volleyball. Ladies, never quit pushing to be the best you that you can be!"

On Saturday, varsity cross country runner, Evan Randall, represented the Cougars at the MHSAA State Championship at the Michigan International Speedway. Coach Scrivens stated after the race, "Evan ran really well (at State)! His personal record, which he earned at Regionals, was 18:23. He ran 18:24 at State and placed 95th out of 242 runners!" Congratulations, Evan!

Sincerely,
Angela Draper
