December 3, 2018

Dear WCA parents and guardians,

This spring will once again bring state mandated testing. I am providing you with a schedule of testing dates so that you can plan ahead. It is less disruptive to have students present on testing days.

My goal in giving you the testing dates in advance is that it will allow you to minimize the scheduling of dentist appointments, doctor appointments and out-of-town trips on test days.

Testing begins at the start of the school day. If a student is tardy, they cannot begin late and have to make up the testing at a different time. All testing will take place in the mornings only so scheduling afternoon appointments on these dates causes no issues.

I understand that it is not always possible to schedule around testing but I appreciate your efforts to do so. Together we can accomplish this process smoothly and easily for all the students.
