School Cancellations:

When school is canceled due to weather, all 5th/6th and 7th/8th grade sports are canceled as well. If there is a competition scheduled, WCA and the opposing school, do our best to reschedule the event. Sometimes it is possible and other times it is not, due to conflicting game schedules that have already been set in place.

Cancellation of all varsity and JV games are subject to weather conditions forecasted for the evening of the day that school is canceled. When school is canceled, the varsity and JV competitions will take place as scheduled, if at all possible.

All cancellations will be communicated to you directly from your student-athletes coach and we are sure to post cancellations, and reschedule dates if possible, on the WCA Facebook page. The varsity and JV changes will also be announced on WCSR.

The week of January 14th in review:

On Friday, the girls' varsity basketball team played at home taking on Pansophia Academy and were victorious. Leading the team in stats was Rianna Vincent with 24 points, 9 rebounds and 4 steals, Clemmie Gadwood with 13 points, 5 steals, 5 assists, Alyssa Phillips with 10 points, 7 steals, 3 assists, Shae Arnold with 2 points, 3 steals, 2 assists and Mary Harman with 8 points. What an exciting and fun atmosphere in the Cougar Den for homecoming night! The girls played well and kept their pace and style of play over all. It was an opportunity to work on offensive and defensive plays while playing an opponent that kept working hard until the buzzer went off. Thank you to all those that were able to come out in support of our Lady Cougars!

On Friday, the boys' varsity basketball team played at home taking on Pansophia Academy and were victorious. Leading the team was Brendan Bush with 16 points, Gabe Gadwood with 16 points, Marcus Scrivens with 14 points, Evan Randall with 11 points, Raymon Brown with 4 points, and Max Thielen with 3 points. The atmosphere for the boys' game was certainly one of excitement and support. The boys came out ready to play and chalk up another W for their homecoming night! Thank you to all those that were able to come out in support of our Cougars!
