Friday, February 15th:

- Girls' varsity basketball at HOME taking on Factoryville Christian at 6:00 P.M.

The week of February 4th in review:

On Tuesday, the boys' JV and varsity basketball team took on Waldron at home. Both teams played a tough and competitive game. While the JV boys were not victorious, the varsity boys were able to seal the win in the final minutes. Waldron came out strong in both games and ran the floor well. Our WCA boys matched them well and fought until the end of both games!

On Tuesday, the 5th/6th and 7th/8th grade girls' teams traveled to Mar Lee and were not victorious. The teams are coming together well and learning to play competitively together in a short amount of time. It is nice to have the game schedule back on track after the inclement weather challenges.

On Wednesday, the varsity girls' basketball team traveled to Summerfield and were not victorious. The girls battled the entire game, keeping the score within five points nearly the entire game. Summerfield hit several shots in the final minutes to pull them ahead. The Lady Cougars battled it out until the final second.

On Thursday, the 5th/6th and 7th/8th grade girls' teams played at home taking on Colon and were not victorious. It was a great night for learning and skill building against a tall and talented team.

On Friday, the JV boys, varsity girls and varsity boys' basketball teams played at home taking on Calhoun Christina and were not victorious. The JV boys had a close game, but were not able to seal the victory in the last quarter. The varsity girls were up against a very fast and talented team. They handled themselves well under the pressure. Turnovers were high in the first half, but the second half saw that number cut in half as the Lady Cougars gained control of their nerves. The varsity boys found themselves in a battle against a deep bench and quick team. All teams look forward to the next two weeks filled with games and preparation for the MHSAA Districts!

Sincerely,
Angela Draper
