Game Rescheduling:

The weather has been challenging for our coaches and their basketball teams. When games are cancelled the opposing school and I are in contact the same day and working on possible reschedule dates. I do my absolute best to reschedule each and every game, but sometimes it is not possible due to already scheduled games for both schools. I also must stay within the rules and regulations of MHSAA as to when regular season games must be completed. For the varsity teams, that is *before* the MHSAA District Tournaments.
