February 11, 2019

Dear Will Carleton Academy Parents,

I hope everyone felt a little of that sunshine yesterday. If I didn't know any better, I would have thought it was a spring day! ☺ I will say that it was nice to wake up this morning without a stream of school closings running along the bottom of the TV screen and without a flood of text messages from local school officials waiting to be read. Perhaps there will be some normalcy to this day!

This short week brings activity on campus that will keep everyone busy! The February Board meeting will be tomorrow evening at 5:15 pm. The agenda looks like business as usual. Please feel welcome to attend; we love a smiling face in the crowd!

Pizza Day is this week on Wednesday. Those orders were due last Friday. Thank you to Mrs. Dryer and the PF for making sure this activity runs smoothly; this is something that most families look forward to!

Valentine's Day exchanges will also take place on Thursday of this week. Information about this has been communicated with you by classroom teachers. Please contact your child's teacher if you have any questions.

Parent Teacher conferences are Thursday afternoon and evening which means early dismissal for the students. Dismissal will be at 11:40 am for all of the students. If you haven't scheduled your appointment, please call the office and let the office help with that task. We hope to see all of you on Thursday for a chance to spend some one-on-one time with your teachers.

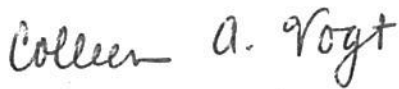

Mid-term progress reports are included this week which is hard to believe; the 3rd quarter is about half over. Please support your child as this time of year can be difficult, as the days are long and dark and many academic subjects pick up speed and concepts can seem difficult. With conferences this week, communicate with your child's teacher to be sure that they are staying on top of things. The faculty appreciates your support each and every day; we couldn't do this without you.

Letters of Intent to Return were sent home last week in Monday Mailers. These are due back to the office by Thursday, February 14th. This is the official opportunity for you to commit to enrollment for the 2019-2020 academic year. If you have any questions about this procedure, please contact me in the office; I am happy to help.

A reminder from the office about doctor's notes during this season of illness: if you go to the doctor when absent from school, please secure a note and send it to school with your child. This note keeps our records in order and allows for the monitoring process to be clear and defined. The countywide attendance policy encourages communication between home and school and these doctor notes simply aide in that process. If you have questions about this, please contact Mrs. Stewart in the office.

Have a great week! I hope to see you all on campus Thursday at Parent Teacher Conferences. Enjoy the long weekend this weekend; no school Friday, February 15th and Monday, February 18th with classes resuming at 8:10 am on Tuesday, February 19th. Remember, my office door is always open.

Respectfully,

A handwritten signature in black ink that reads "Colleen A. Vogt". The signature is written in a cursive style with a large, prominent "V" at the end.

Colleen A. Vogt
Director
