Dear Parents and Students,

Welcome to second grade! I am so excited to begin my fifth year at Will Carleton Academy and share this second grade experience with you. Parents, thank you for entrusting your child with me. Students, I am excited to meet each of you personally and get to know your interests and strengths.

For those who have not met me before, I am Mrs. Kayla Center. I have a wonderful husband Ryan and we have two daughters Kamryn and Oaklyn. Kamryn is 9 years old and entering the fourth grade. Oaklyn is 3 years old and learning new things every day. I enjoy taking walks with my girls and our dog, Maddox, playing outdoor sports such as sand volleyball and softball, and going to concerts. I have taught full time for several years before becoming part of the Will Carleton Academy family. I've taught first grade at Pansophia Academy and Pittsford Area Schools. I also taught half day Kindergarten at Hillsdale Community Schools. I have enjoyed these teaching positions and look forward to another great year here at WCA.

Second grade is a very important year. My ultimate goals for your child this year are reading more fluently, developing a love for reading and learning, and becoming better writers. Of course, we will be studying and learning in all subjects, but if we achieve these three goals, your child will do well throughout their school years. I will also expect students to become more independent and responsible for themselves, their actions, and their belongings. Yes, more is expected, but it is just one-step in the process of growing.

Enjoy the rest of your summer and I hope to meet and become acquainted with you all soon!

See you soon,

Mrs. Center
