Dear Families and Students,

July 2021

My name is (now) Brigid Maines, and I'm excited to be your fourth grade teacher. Here's a little bit about me: I graduated from Hillsdale College a year ago with a Bachelor of Arts in English. I've taught fourth grade here at WCA for one year, but I have also taught part time in preschool, kindergarten, 1st, and 2nd grade classrooms. I look forward to bringing positive energy and enthusiasm to our fourth grade classroom in the fall!

In my free time, I like to spend time with my friends all over town, young and old. I like to sit on my porch with my husband, where we watch the fireflies, listen to the rain, and wave to friends and neighbors. I also love to read and play with my two bunnies, Franklin and Spenser. What a joy it is to live in such a happy little town!

In fourth grade, our students assume more and more responsibility for their own education, with lots of hands-on learning in all subjects and many engaging in-school and at-home projects. To support those activities, we will establish week-by-week routines for small reviews and assessments, especially in spelling, grammar, and math. The demands of self-government are great in fourth grade. Students should prepare to conduct themselves with the utmost respect, civility, and self-control. To keep themselves organized, students' agendas will be used to outline our tasks for the day, and to alert students about important dates. I expect that we will have a joyful and well-ordered classroom this year, and I will work hard to make it so. I am very excited to meet you and your child.

If you have questions, concerns, or comments, please contact me.
