July 2021

Dear Parents,

I hope the summer has been a good one for all Will Carleton Academy students. The current 2021/2022 school year is quickly approaching which means school supplies will be on sale soon at local businesses. There are a number of items that will need to be purchased prior to starting the year. Included in this letter you will find a list of items that will be needed at the start of the school year.

I am looking forward to a very successful year of science for your student. We have a substantial amount of material to cover prior to completing the school year. As many of you already know, high school is scholastically very demanding for your student. You can expect a fair amount of homework nightly. The amount of homework will vary depending on how well your student works during the day. Students who spend their time wisely in class will obviously have less homework at the end of each day. I will also make myself available to your student, as often as I can, at both lunch and after school.

The following is a list of items each student should have on the first day of class:

(1) Binder to hold a notebook and assignments

(1 or 2) notebooks "college ruled"

A pocket folder for completed assignments

Pencils, erasers and sharpener

Several red pens and colored pencils

(1) Pack of loose-leaf paper (college ruled)

(1) Container of disinfecting wipes

(4) Boxes of Kleenex

Additional items may be required throughout the year. Notification will be sent home when these supplies are needed. If you have additional questions, do not hesitate to call. I can be reached at 517-833-0005.
