July 2021

Dear Parents:

It is hard to fathom that we are a few short weeks away from the beginning of another new school year, which will mark my twentieth at Will Carleton Academy! I hope the past month and a half have brought a sense of refreshment and renewal as we anticipate the next steps in our educational journey together.

I would like to welcome those new to the WCA family, as well as our rising freshmen to our high school community. I am not forgetting our returning students either, as I am counting on each of you to play a part in making our school as great as it can be. I have high expectations for all of you, and I look forward to seeing you meet your potential, and then some.

Included with this letter is a supply list that is specific to my classroom only. Because I will be welcoming the freshmen as a new homeroom group, there will be some items that only they will be responsible for bringing; other than that, the supplies for my classes will be fairly similar to the past. Once again, I will be making extensive use of Google Classroom, so please be mindful of that as you anticipate what else you may be needing for courses you are taking with me.

Please enjoy the rest of your time away doing those things that bring you happiness. I expect to be recharged come August 24th, and I am hopeful that will also be the case for you. Let's have a great year!

Sincerely,

Garvin Kruse
