

## Snow Gear Q & A

**Q.** What exactly does "snow gear" consist of?

**A.** Snow boots, snow pants, a winter coat, hat and gloves/mittens

**Q.** Do I need to wear my snow gear every day?

**A.** Yes. After Thanksgiving break and until spring break, students need to wear full snow gear to school every day. Opening will be outside most mornings.

**Q.** I have a hood on my coat. Do I still need to wear a hat?

**A.** YES! 😊

**Q.** What about my school shoes?

**A.** Please leave your school shoes at school every day. That way they will be here for you each morning!

**Q.** What if it's super-warm out? Will we have to wear all of our snow gear out to recess?

**A.** The office will decide each day if full snow gear is necessary for that day's recess. However, full snow gear needs to be worn to school daily, just in case. Thank you!
