September 28, 2021

Dear Will Carleton Academy Families,

What a glorious morning we had at Opening Ceremony today! The sun was beautiful and the announcements abounded with good news from the fair! Congratulations to all of our WCA participants! I am so impressed with the quantity of folks who enter their best work...from cows to pigs to Legos to cookies...I had no idea how talented we all are!

Thank you to the Parent Forum for organizing the parade presence yesterday. The pictures that I received while in my meeting made me smile! I was so proud of the smiles and green and gold that I saw! Made my heart happy! Not to mention the caps...those are awesome! If you weren't able to walk in the parade but want the new WCA baseball hat, those are for sale in the office for \$10.00. I think they are going to go fast!

The Fair Booth looks great! It definitely fits the theme of "Together Again". I think my favorite part of this year's booth is that together with Miss Hull, the students determined what their project would be! I love that! If you haven't stopped by the booth, please do. Thank you, Miss Hull for guiding the students to a job well done!

Please be reminded that the Parent Forum Proposed Budget Approval slip that was included in last week's MM is due tomorrow. These light blue ballots have a spot for two household votes and two signatures. This is a great opportunity for you as members of the Parent Forum to have a say in the monies of the group; this is so important! Thank you for tending to this by tomorrow, Wednesday, September 29th.

Picture Day is next Wednesday, October 6th. Order forms are included in your mailer today. Please return those with your student on Picture Day. It is formal uniform day and therefore all students should be in their Wednesday Formal Uniform for pictures. If you have any questions about Picture Day, please give the office a call!

Hard to believe that the October calendar is included in your mailer today. Take a look and watch for details about upcoming events that all will enjoy! Fall is in the air and some events certainly prove that!

Thank you for the continued support that many of you have given when considering the quarantine guidance that WCA is to follow. I wish for all of us a calmness when recognizing this requirement and the implications it has on so many. We will do our best to support each one of you if put into this scenario, and your grace to allow us time to meet all requested needs is so appreciated. Together we will be better, and that is always one fact when considering what makes WCA great!

Have a wonderful fair week! Thank you for helping us to keep your children focused while in class and safe when enjoying the sights and sounds of the MOST POPULAR FAIR ON EARTH!

Be well,

Colleen A. Vogt
