November 28, 2022

The boys' middle school team continues to improve over the last couple of weeks. They dropped both games against Marlee the week of November 14, 2022. The B team score was 14-28 and the A team was 20-38. Last week, they also lost against Calhoun Christian by a score of 22-24. They are making positive strides and should see some success very soon.

Keep in mind that we are streaming our home games on the NFHS website. Contact me for more information.

I am still working on our elementary Jr. Pro teams. We still don't have any parent volunteers to coach, so I have reached out to some teams from North Adams. They have some room available to add some players. More information will be forthcoming this week.
