Last week the boys middle school teams played against Marshall Academy and Pansophia. Against Marshall Academy both teams lost but the A team led for part of the game and only lost with a final of 21-26. David Maier led the team with 8 points followed by Harrison Sands with 7 points and 12 rebounds. Ben Lutz also chipped in with 6 points. In the Pansophia game they lost by a score of 15-25.

The varsity girls' basketball team started their season with a big win against North Adams with a final score of 43-30. Clemmie Gadwood led the team with 30 points. She also scored her 1000 career point in the game! Congratulations Clemmie!

Keep in mind that we are streaming our home games on the NFHS website. Contact me for more information.

Nick Easterling has volunteered to coach an elementary school girls' basketball team. He has the contact information for all the girls that signed up. Look for communication from him about upcoming practices. The boy's information has been forwarded to coaches from North Adams. They have some spots available on multiple age teams.

We have some additional coaching vacancies available to anyone interested. Our varsity golf team, middle school track, and middle school volleyball teams are in need of coaches for their next seasons. Please contact me for more information.

Our scoreboard operator for the past few years has been alum Bailey Cramer. He has done a wonderful job but he will not be available after the holiday break. We are looking for a reliable student, alum, or parent to fill his position. He will be available until the Christmas break to help train a replacement. It is an exciting opportunity!
