Hello, from the Athletic Department!

The middle school girls basketball team won their game with Pansophia last week. Coach Pratt had this to say about their season: "I thought we did great this season! The girls worked hard every day to improve and were excited to be there."

The girls varsity basketball team wrapped up their regular season last week. They were able to avenge an early season loss against Litchfield. The final score was 46-40. Clemmie Gadwood finished her last home game with 32 points. She was recognized at halftime for her amazing basketball career at WCA. She now holds the school record for most points scored. Congratulations on a great career! The girls now move on to the district playoff against Hillsdale Academy on Wednesday.

The boys JV and varsity teams played against Litchfield last Monday. The JV team won 34-28. David Maier led the team with 12 points followed by Jack Thielen and Harrison Sands with 9. The varsity team lost with a score of 38-65. Tyler Slade led with 12 points and Thomas Maier added 10. On Thursday the first game of the Crossroads Conference Tournament was canceled due to the weather. They followed up with the championship game on Saturday against Jackson Prep. They started out strong but couldn't overcome a lopsided 3rd quarter. They lost 42-59. Leading the Cougars was Thomas Maier with 14 points followed by Tyler Slade with 13.

Spring sport sign-up sheets are posted in the gym. Please sign up as soon as possible. I have also posted a sign-up sheet for a fall soccer team. There has been some interest in attempting to revive a WCA soccer team. This would be a co-ed team including grades 8th-12th. Track practice will start on March 12 from 3:30 to 5:00. Golf will also start on March 12 at Mill Race Golf Course from 3:45 to 5:30.

We have some additional coaching vacancies available to anyone interested. Middle school track, and middle school volleyball teams are in need of coaches for their next seasons. Please contact me for more information.

Thank you,
Aaron Scrivens
