April 10, 2023

Dear Will Carleton Academy Families,

I hope the sunshine this morning made it easier to get out the door. What a difference a week makes! On Friday, March 31st it was dark driving to work at 7:00 am, but this morning, it was bright and the day was ready for me! The seniors report that it is 55 days to graduation; we can do it!

I continue to work to clarify the last day of instruction for WCA students as paperwork is completed and ready for submission to seek "forgiveness" for additional lost days of instruction beyond the 6 automatically given by MDE. Please keep your eye out for final word on this date. My fingers are crossed for the best case scenario!

The April Board Meeting is tomorrow evening at 5:15 pm. Once again be reminded that all are invited to attend those board meetings. The WCA Board does good work for our students every month. I am so glad to be a part of that team. Please feel welcome to join us.

Spring Picture Day will be on Thursday, April 20th. WCA's photographer from Classic Portraits will be on campus to take pictures of the students in their spring best for families who simply want a non-uniform photo of their child(ren). This day will be a spring casual day for all students, but pictures will only be taken of those students whose families want a picture package. Please see the order forms that are included in your mailer.

Will Carleton Academy will be hosting the annual Spring Open House for new families on Sunday, April 23rd from 1:00-3:00 pm. This is a great time to introduce campus to friends and family members who are considering WCA for their children. We will have students and staff on campus to give tours and answer any questions that our guests might have. Please share this date with anyone who might be interested in attending. It's time to get the secret out!

There will be testing this week for 8th through 11th grade students and that information has already been shared with those families. If you have questions about this testing extravaganza, please give the office a call. We will support you!

Have a great week! Settle in for the last sprint to the end of the year. It is such a busy time! If you need anything at all, please be sure to call the office. We are only a phone call away!

Be well,

Colleen A. Vogt
