

Cougar News

9/11/2023

Here's an update for all our Will Carleton Academy athletes competing this past week and what will be coming in the near future:

Our varsity volleyball team played two conference games this week. Kristen Recob powered the Lady Cougars past Pansophia on Tuesday with 15 aces! Later in the week the team lost a close match against conference power Factoryville on Thursday.

The middle school volleyball team opened their season playing two games this past week. They dropped both games, but definitely improved from game to game.

Our boys who play on our co-op football teams (both middle school and high school) with North Adams-Jerome dropped their games against Litchfield this past Wednesday and Friday, but they look to right the ship this week.

WCA's high school soccer team had an away game last Thursday against Factoryville and came away with a 5-3 victory. Thomas Maier led the team with four goals with exchange student Dawid Dubinski chipping in one goal as well.

Our Trap team looks to start in the near future. Any students interested in participating should contact coach [Luke Vancamp](mailto:lukevcamp@gmail.com) lukevcamp@gmail.com for more information.

Lots of home games this week. Come on out and support our Cougar teams and really give our teams a big home field advantage!

We are currently interviewing for middle school boys and girls basketball coaches. If you are interested or know someone who should be considered, please reach out to me.

Please contact me if you have any questions or concerns.
