

Cougar News

9/18/2023

Here's an update covering all our Will Carleton Academy athletes competing this past week and what will be coming in the near future:

Our varsity volleyball team improved their conference record to 3-1 with two more victories this past week. On Tuesday the Lady Cougars cruised to victory in 3 sets while on Thursday the team had to fight a little harder against Battle Creek Academy. Our JV team lost but our varsity was able to battle hard and win three games to none.

The middle school volleyball team played two games this week and only missed victories by the slimmest of margins. They played multiple games losing 23-25. They are improving each and every game.

While our varsity football team (co-op with NA-J) dropped their game against

Climax-Scotts Friday, our middle school team (also playing with NA-J) played on Wednesday against Pittsford and picked up a big W!

WCA's high school soccer team faced off against state ranked Battle Creek Academy. While the team played well and scored a couple times, they ultimately came up short.

Our Trap team starts practice Tuesday. Any students interested in participating should contact coach Luke Vancamp lukevcamp@gmail.com for more information.

We are currently interviewing for middle school girls basketball coaches. If you are interested or know someone who should be considered, please reach out.

Also please note that **fall sports pictures are this week!** Volleyball (middle school, JV, and Varsity) will be right after school on Thursday. Soccer and Cross Country (middle school and high school) will be directly after school on Friday.

Please contact me if you have any questions or concerns.
