Here's an update covering all of our Will Carleton Academy athletes competing this past week and what will be coming in the near future:

WCA Cross Country competed in Athens on Wednesday. Our runners ran well with Everly Cousino taking 6th in the middle school girls race, Asher Church, Caleb Russell, and Jack Seiffertt all finishing in the top 20 in the boys middle school race, and Tyler Barnes finishing 12th in the high school boys race. It was a very challenging course with lots of hills and all our athletes ran good races.

Both our Varsity and JV volleyball teams traveled to Battle Creek Academy on Thursday and came away with victories. The varsity squad also took on Factoryville on Tuesday with 1st place in conference on the line and battled hard against a tough Falcon team, but ultimately came up short in very close games 23-25, 21-25, and 23-25.

Our middle school volleyball team also played against Factoryville. They played well, but lost after three games. They look to bounce back with two games against Mar-Lee this coming week.

Our varsity football team

(co-op with North Adams-Jerome) played a tough Homecoming game Friday night and lost to Tekonsha. They take on Lenawee Christian this Saturday in another home game.

The Cougar soccer team had two games last week. Thursday's contest against Battle Creek Academy went poorly, but Tuesday's game against Factoryville resulted in a 5-1 victory for the team.

This week's top shooters on our Cougar Trap team were James VanCamp (48), Hannah Kies (48),

Oliver Richards (48), Ty Couch (48), and Dominic LaRussa (42). Congrats to Hannah on a perfect round of 25 as well - Great shooting!

We are currently interviewing for middle school girls basketball coaches. If you are interested or know someone who should be considered, please reach out.

Please contact me if you have any questions or concerns.
