## What exactly is this Reverse Raffle?

The Parent Forum is made up of all parents/guardians of Will Carleton Academy students and meets once every month to discuss how to support the students of our school. We hold one major fundraiser each year to continue to make our school the best it can be. This year, funds will go toward an outdoor education area.

- There is open seating and a cash bar. We will serve a buffet-style pasta dinner. Then, we will start the festivities. Attire varies. You are welcome to represent your favorite Michigan team.
- There will be a number of raffle baskets on display. Raffle tickets can be purchased and you place as many tickets as you like with your selection(s) in hopes that your ticket will be pulled, winning you that basket.
- We will also be selling 50/50 raffle tickets. The winning ticket receives  $\frac{1}{2}$  of the total funds collected in the drawing.
- The *big event* of the evening is the main drawing. We will randomly begin drawing each of the 300 tickets that have been sold. Many businesses and organizations have offered donations for our school including gift certificates, groceries, a 55" TV and more, so many tickets will win something throughout the drawing. The final 3 numbers drawn will win cash in the amounts of \$500, \$1000 and \$2500, respectively. (Winners do not have to attend to receive their prizes.)
- There is a Loser's Draw. You can sell us your "losing" ticket and win money.

Bring some extra spending money to add to the success of the evening and better your odds of winning!
