

Cougar News

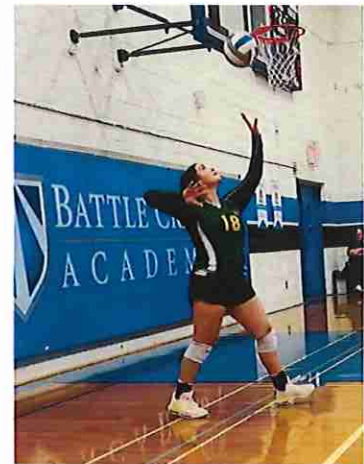

10/30/2023

Our Cougar volleyball team had an extremely exciting week. They played in the Crossroads Athletic Conference Tournament on Tuesday and Thursday. They entered the tournament as the #2 seed having only lost in conference to Factoryville. On the first night our volleyball team dispatched #3 seed Battle Creek Academy;

but the victory was bittersweet as senior setter Rosie Burke had to leave the game with an injury. On Thursday, our Lady Cougars took on undefeated #1 Factoryville for the Conference Championship. The first game was close, but freshman Alina Seay stepped up and had the final kill to win the first game. The second game went back and forth until our Cougars finally pulled away 29-27. The Falcons staged a 3rd and 4th game comeback to even the match 2 games to 2. In the final game of the match, our Cougars rallied to a 15-13 victory to take the game, match, and conference tournament championship! Junior Kristin Recob was voted tournament MVP - a huge congratulations to her and to our entire team!

The middle school volleyball team also had a busy week. They played two games against Lansing Charter Academy and both our younger and older girls won! On Friday, they finished their season against Pansophia Academy. Our younger girls lost 2 games before winning the final set of the season while the older girls beat the Pumas in 3 straight sets. Congrats on a great season!

The Cougar cross country team finished their season in Jackson, MI on Friday. Each runner ran a good race, coming close to their personal records! A special shout out to seniors Tyler Barnes, Alex Draper, and James VanCamp on their final high school xc race.

This was the final week for our WCA fall trap season. They will pick up again in the spring.

We are looking for some Junior Pro basketball coaches. If you are interested or know someone who should be considered, please reach out.

A reminder with districts coming up that tickets for all MHSAA districts and beyond competitions can ONLY be purchased on the GoFan app.

Please contact me if you have any questions or concerns.
