Here's an update covering all of our Will Carleton Academy athletes competing this past week and what will be coming in the near future:

On Wednesday the Will Carleton Academy Cross Country team competed at Hayden Park in Hillsdale. Personal records were set by James VanCamp, Everly Cousino, Asher Church, Caleb Russell, Adam Haidous, and Jack Seiffertt. The middle school boys ran well enough to tie for second place. Everly Cousino took 6<sup>th</sup> place for the girls and Asher Church placed 6<sup>th</sup> for the boys. The Cross-Country team also competed in their largest race of the season in Hudson on Saturday. The 2-mile middle school race is hard, but everyone ran well. On this difficult course Judah Keef PR'd for the middle school as did Harrison Sands for the high school. In this large race of over 200 runners Asher Church did well enough to earn a medal.

In volleyball this week our JV team hosted Hillsdale High School on Monday. They jumped out with leads in every game, but ultimately came up short losing 3-0. Our Varsity Cougars took on Litchfield on Thursday and took the Terriers to 5 games before falling 3-2 in the end. Our middle school team also traveled on Thursday. They played two matches against Mar-Lee. Our middle school team won the first match and lost the second.

Both our middle school and high school football teams (co-op with NA-J) came up short this week. The middle school team played a tough Camden-Frontier team while the high school team took on powerhouse Lenawee Christian at home. The team's only points were WCA powered though coming on a long TD run by Will Thielen that was sprung by a huge block by James Johnson.

The Cougar soccer team was dormant this week, but host their final home game this week before heading to Potterville for districts.

This week's top shooters on our Cougar Trap team were James VanCamp (48), Hannah Kies (44), Ty
