First a correction from last week - Last week we erroneously said our Middle School Volleyball team lost to Marshall Academy. In fact, after losing the first game our girls went on to beat Marshall in the next two games and won the match!

And now here's an update covering all of our Will Carleton Academy athletes competing this past week and what will be coming in the near future:

WCA Cross Country competed at the Pittsford invitational on Saturday. Seven of the eight runners that ran set personal records with PRs from Dominic LaRussa, Everly Cousino, Asher Church, Caleb Russell, Jack Seiffertt, Adam Haidous, and Judah Keef. Three athletes medaled at the invitational including Harrison Sands (17th) Everly Cousino (14th) and Asher Church (10th).

Both our Varsity and JV volleyball teams traveled to Jackson Prep on Wednesday and came away with victories. The Varsity hosts Factoryville with a chance to avenge their lone conference defeat on Tuesday. A full house might help make the difference for this big game!

Our middle school volleyball team had a busy week. On Monday they played two matches against Mar-Lee and split the games winning the first and dropping the second in close games. On Wednesday, they also traveled to Jackson Prep and completed the sweep taking down the Falcons.

Our middle school football team was off this week. Our Varsity squad (co-op with North Adams-Jerome) played Friday night and lost to Camden-Frontier. They look to bounce back this Saturday against Tekonsha.

The Cougar soccer team had two games last week. On Monday they traveled to Freedom Christian and battled to a close 2-1 loss. Then on Wednesday the team traveled to Bellevue High

School and after being down 0-1 at half, came back to win 3-1. Polish exchange student Dawid Dubinski led the way with 2 goals with Theo Davis chipping in 1 as well.

Trap kicked off this week with top shooters (out of 50) being Chandler Dryer (47), Oliver Richards (47), James VanCamp (46), Ty Couch (45 including a perfect 25), Hannah Kies (45), and Harrison Sands (45). Great shooting!

We are currently interviewing for middle school girls basketball coaches. If you are interested or know someone who should be considered, please reach out.
