

Cougar News

11/27/2023

Last week was a short week so there is not a lot to report on sports-wise, but we are especially thankful for all of our parents, athletes, and coaches who put so much time and effort into making Cougar Athletics happen.

Our middle school basketball team played Waldron on Monday before our break. Our Cougars lost this match-up, but showed signs of good things to come.

The high school bowling team is in full swing practicing at Hillside Lanes. They are looking forward to Will Carleton Academy's first varsity bowling competition.

Both our girls' and boys' high school basketball teams have started practice now. WCA high school basketball games start this week on Tuesday and we would love for everyone to come out to the Cougar Den to cheer on our teams this season. Let's really give our teams a home court advantage!

The Cougar Strength Program continues to meet an hour after school every Monday and Friday for any high schooler interested in attending.

We are still looking for some Junior Pro basketball coaches. If you are interested or know someone who should be considered, please reach out.

Please contact me if you have any questions or concerns.
