Dear Will Carleton Academy Preschool, Kindergarten, 1st, and 2nd grade Parents,

I am so thrilled to announce that we are again planning to host Will Carleton Academy's Thanksgiving Day Feast! If my memory serves me correctly, this is the 22<sup>nd</sup> Feast and the tradition simply keeps getting better and better!

The feast has been scheduled for Tuesday, November 21<sup>st</sup>. We will set up in the late morning and will begin serving and eating at 12:40 pm. The students will have a snack during the morning hours to hold them over until this later lunch hour; that is easy to accomplish!

The WCA office staff and the K, 1st and 2nd grade teachers have worked together to organize the food for the meal. Please come and be our guest along with the preschool families; simply come and enjoy the time together!

As is the tradition, the students love it when parents or guardians can attend and share this experience with them. We must again remind families that siblings are not to attend with you as we simply cannot accommodate the larger number that that would entail. Thank you ahead of time for your support with this long-standing request.

This year we will be using our Senior Class to safely serve the food so that parents may enjoy the time with their child. Parents may help with clean up and recess monitoring after the Feast. We will need about 4 parents for each. Please indicate below that you are willing to help with these duties.

**Please complete the portion below and return to the office by Wednesday, November 15<sup>th</sup> for planning purposes.**

Thank you!
