

Cougar News - 4/22/2024

All our spring sports are rolling and having competitions now. Here's the latest news about our Cougar athletes.

The middle school track team had meets on Tuesday and Friday. The Friday meet hasn't posted official results yet, so look for those in next week's *Cougar News*, but we can tell you all about Tuesday. The team did great, placing 3rd on both the boys' and girls' side. On the boys' side, Brady Loveless and Jack Seiffertt came in 2nd and 3rd place in the 70m dash and Asher Church was 2nd in the mile. On the girls' side Grace Williams won the 70m dash with Katelyn Zienert coming in 3rd. Katelyn also came in 3rd in the Long Jump and our girls' 4x400 relay team of Grace Williams, Everly Cousino, Allyson Farley, and Katelyn Zienert came in 3rd. Great job to both teams.

Our high school track team also had a meet this week with some exciting results including 2 new school records! Tyler Barnes came in 3rd in the 200m dash. The boys' 4x100 relay team of Tyler Barnes, Antonin Slovacek, Caleb Daniels, and Sam Davis also took home 3rd place and ran the fastest 4x100 time in WCA history. Our boys' 4x400 relay team of Castin Cousino, Sam Davis, Theo Davis, and Alex Draper also set the school record. Congratulations to all the track athletes for the great start to the season.

Our varsity golf team traveled to Binder Park near Battle Creek to take on CAC rivals Battle Creek Academy and Factoryville Christian Academy in the inaugural CAC golf outing. The Cougar golfers came to play and ran away from the competition taking home 1st, 2nd, 3rd, 4th and tying for 5th place overall. Tyler Slade won the event with Will Thielen, David Maier, and Thomas Maier filling out the top 4. Caleb Daniels tied for 5th.

Our girls who play softball with North Adams-Jerome return to the diamond on Monday, (Camden-Frontier) Thursday (Waldron) and Friday (Addison). Good luck in your upcoming games!

Our top trap shooters this week were James VanCamp and Oliver Richards (both with 46), Trent Tate (45), Brady Thomsen (42), Nicholas Shearer, Hanna Kies, and Brayden LaPeer (all with 41). Congrats on a great week.

The Cougar Strength Program continues to meet an hour after school every Monday and Friday for any high schooler interested in attending. It's a great way to stay strong in the offseason, supplement practice during the season or just get more fit.

Reminder, if you get a great picture of a cougar student athlete in action we would love to feature it in the Cougar News. Send your submissions to wca.athletics@wcak12.org
