

Cougar News -

10/13/2025

Welcome to another edition of the Cougar News! This is your weekly update on all our teams and athletes, highlighting the past week and looking forward to the next.

The high school football team (co-op with NAJ) played in the unofficial CAC football championship when they took on Tekonsha (co-op with Marshall Academy) on Friday. The Rams jumped out to an early lead, but fell behind. However the Rams flipped the script this week and battled back to beat the Indians 58-42. WCA seniors James Johnson (returned a kick for a touchdown) and Jeremiah Gadelkarim (recovered a fumble) had a major part in the win. Great job to our guys!

The middle school football team (co-op with NAJ) also played the Indians of Tekonsha. It was a tight game but the young Rams came out on the losing end. The team looks to bounce back when they play at Burr Oak on Wednesday.

The soccer team played their two toughest games of the season this past week and although they didn't win either they played their best games. On Monday against Jonesville the team honored its lone senior Jeremiah Gadelkarim. Freshman Wesley Charleville scored the Cougars only goal. On Thursday the Cougars travelled across town to take on the Hillsdale Academy Colts in a #1 vs #8 district game. The defense played terrifically with Juniors Castin Cousino, David Maier, and Ben Draper with Senior Jeremiah Gadelkarim anchoring a stout backline. Freshman goalkeeper Max Maier played an outstanding game and was even complemented by the opposing coach.

This was week 2 for the WCA Trap team. This week's top scores went to Hannah Kies (25, 25), Remington Bender-Brown (23, 24), and Western Watkins (21, 21). The team continues to sell raffle tickets with prizes of \$1000. If that sounds like something you are interested in, find a WCA trap athlete and ask about purchasing a ticket!

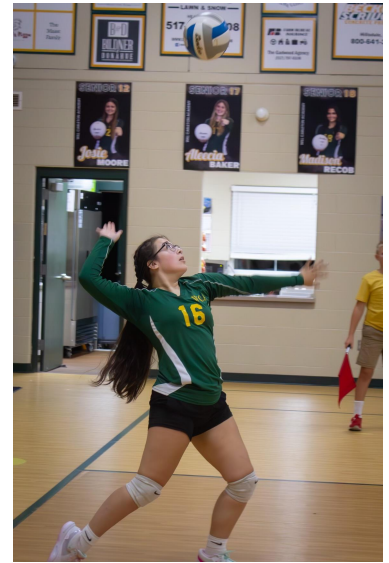

The Varsity and JV volleyball teams had another good week. Tuesday finished up an undefeated conference regular season by defeating JPEC in three straight sets. Then they turned around on Thursday and did the same thing to Litchfield. The girls are playing well as they enter the toughest part of their schedule with Pittsford and the Jonesville Pink Tournament on the horizon.

Our middle school volleyball team had another busy week! After a schedule adjustment the girls played JPEC on Tuesday and both teams won! Then on Thursday the team traveled to Mar-Lee to take on a tough BearCat team and came up a bit short. Finally on Saturday both teams went

to Jackson and played in their big tournament and at the end the 7th/8th grade team took home 2nd place. The middle school team finishes up its season with a home game on Tuesday.

The cross country team competed in the SCAA championships on Saturday and had a great day. Freshman Asher Church came in 10th place on the boys' side and earned all-conference. In the boys middle school race Alex Bertram, Jason Keyte, and Brad Farley all PR'd and the Cougars came in 5th place. On the middle school girls' side all three girls (Delilah Kelemen, Ally Farley, and Everly Cousino) had their best race of the season. It was a great end to the middle school season. The high school team will keep training for the regional race in a couple weeks.

We love featuring more pictures in the Cougar News so if you have one you'd like to send along, please do (wca.athletics@wcak12.org). Thanks to Angie Collar, Rick Kelemen, and Castin Cousino for pictures this week!
