

Cougar News - 10/27/2025

Welcome to another edition of the Cougar News! This is your weekly update on all our teams and athletes, highlighting the past week and looking forward to the next.

This was the final fall week for the WCA Trap team. This week's top scores went to Hannah Kies (25, 25), Remington Bender-Brown (22, 22), and Harrison Sands (17, 22). Hannah continues to impress with an unprecedented 3rd straight week of perfect 50!! The team continues to sell raffle tickets with prizes of \$1000. If that sounds like something you are interested in, find a WCA trap athlete and ask about purchasing a ticket or visit the WCA office! The drawing will be the night of parent teacher conferences.

The high school football team (co-op with NAJ) took on Colon in their final game of the season. The game did not go the Rams way and the Maji took a 71-20 victory. With the season over it should be noted that the team doubled their win total this season from last year! Good job this season!

The high school volleyball team had a very successful week. On Tuesday the varsity team beat Marshall Academy in the semi-finals of the CAC tournament. During the games on Tuesday five girls were recognized for their play during the season. Josie Moore and Lilly Draper were awarded as second team all conference and Madison Recob, Aleecia Baker, and Makenna Roe were all voted first team all-CAC. Congratulations to these players for their great accomplishments. On Wednesday the JV and varsity teams played host to the Bellevue Broncos. While the JV played a close game they ultimately came up a little short. The varsity team played extremely well and won handily. To follow the win on Wednesday the Cougars played in the CAC championship game against Factoryville Christian and for the fourth straight year Will Carleton Academy took home the CAC tournament championship and senior Madison Recob was named tournament MVP. The girls have had a great season so far and we look forward to cheering them on in districts next week.

The cross country team ran in the regional meet on Friday. Everyone showed great effort. Gideon Kelemen and Joseph Yacks both ran close to their PRs

with freshman Asher Church running a season best 19:34. Asher is now only 12 seconds away from the all time WCA leaderboard. What a great season from our small, young, talented team.

With basketball season coming up it is a good time to remind everyone that you can get yourself a family pass to all our home games for \$100. If you have a connection to a local business or your family would like recognition on our sponsor wall there are also opportunities to purchase banners on the wall that also come with season passes. Contact wca.athletics@wcak12.org if you are interested.

We love featuring more pictures in the Cougar News so if you have one you'd like to send along, please do (wca.athletics@wcak12.org). Thanks to Rick Kelemen for pictures this week!

A reminder that all district tickets need to be purchased via the GoFan app. Due to the anticipated number of fans for the volleyball district hosted at WCA the ticket sales will be capped at 325 per game. If you would like to attend the game and support our outstanding volleyball team please do not wait until the last minute as tickets may be sold out.

Upcoming Cougar Sporting events:

10/27 - Middle School Boys' Basketball Practice Starts (please make sure sports physicals are in before practice starts)
