

Cougar News - 3/9/2026

Welcome to the final winter edition and the first spring edition of the Cougar News! This is your weekly update on all our teams and athletes, highlighting the past week and looking forward to the next.

Don't forget that the Winter Sports Celebration takes place on Tuesday, March 10th at 6:30pm. Come support all our athletes in their seasons. WCA athletics provides pizza

and water, but if you would like to bring a donation to offset the cost those donations are greatly appreciated.

Our varsity girls' basketball team played their district game on Monday at Camden-Frontier. The game went back and forth, but the ball did not bounce our way in the end and the Cougars fell to the Rams and the girls' season came to an end.

The Jr Pro girls played several games in Homer this past weekend. It was stiff competition against larger schools from across the state, but the girls played well and gained some great experience that will serve them well as they continue playing. Congratulations to the Jr Pro Girl high scorers Blythe Barnes and Kensington Parker.

With our winter sports seasons all finished it's already time to kick-off the Spring sports! Track & Field, Baseball (with NAJ), and Softball (with NAJ) practice start today with Trap and Golf starting soon. Look for updates on those sports in the coming editions of the Cougar News and each teams' TeamReach channel.

The Cougar News is more interesting with pictures so if you have one you'd like to send along, please do (wca.athletics@wcak12.org). Thanks to Max Maier and Castin Cousino for pictures this week!

Upcoming Cougar Sporting events:

Monday 3/9
